EPMSA'S MISSION STATEMENT:

To preserve and enhance the downtown area as the heart of East Point, communicating a sense of place, community pride and heritage, while providing for a successful business and residential environment.

The East Point Main Street Association (EPMSA) and the City of East Point are proud to once again present the annual 4th of July "Salute to the Red, White & Blue" Celebration in Downtown East Point! This event is a well-known tradition in the South Fulton community, going on thirty years now. In fact, it is the only 4th of July celebration of its kind in the South Fulton area and the East Point Main Street Association welcomes all of their South Fulton County neighbors and beyond to come celebrate with them! They expect this year's event to be even bigger and better than past years! This year, they are taking it up a couple of notches with the addition of two new highlights to the event: a Pyro Digital Fireworks Show (synchronized to music) presented by Pyro Productions and an old fashioned Carnival presented by Gold Medal Shows! Yes, EPMSA is bringing the Carnival to town, complete with a Ferris Wheel, Carousel, rides, games and more! EPMSA is excited to see what these two additions will do to the attendance levels, which have already traditionally

been around 12,000+ people! In addition there will be Stage Entertainment with a line-up that includes East Point favorites like the Bretheren (R&B/Soul) and Jazz by Moonlight! In addition, Original Cover will be making their first debut in East Point. As always, there will be an extensive Food Court with over 40 vendors, including festival favorites like BBQ, Fried Fish, Funnel Cakes, Italian Ice, Beer & Margaritas and more. . .so come hungry and thirsty! Soda and Alcohol sales will benefit EPMSA and help them fund future events and projects in the downtown area. There will also be a Kid's Zone with Face Painting, Bouncy Inflatables and free balloons, a Celebrity Dunk Tank (local celebrities and politicians will be dunked!), Watermelon Eating Contest and much more! And of course, Kiss 104.1FM will be advertising the event, doing a live broadcast the day of the event and handing out great giveaways all day long!

EPMSA Needs Volunteers! Please consider donating a couple of hours on July 4th to help make this a successful event!

BUSINESS OF THE MONTH

Oz Pizza

Located on Main Street in the heart of downtown East Point (across from the East Point MARTA station), Oz Pizza offers patrons an amazing and addictive taste bud experience! Oz Pizza is a family friendly restaurant that provides hand-tossed pizza cooked in a stone deck oven. Some of their other specialties include calzones, lasagna, and subs. They also serve wine, beer, and ice cold frozen margaritas for those hot summer days! In addition, they offer a huge outdoor patio which provides a wonderful, laid back and relaxing outdoor dining experience with family and friends!

Oz Pizza has been in East Point since 2001. They chose to locate their business in the historic downtown area of East Point because of its small-town community feel.

Oz Pizza is also a great community partner. They team up with local charity & non-profit groups, in many cases donating a percentage of a night's profits to those groups, to help make a difference in the commu-

nity. A few of the groups they have supported include the Women's Resource Center to End Domestic Violence, the Main Street Academy and the East Point Main Street Association.

And, as if you needed another reason to go. . .Oz Pizza also offers free WI-FI! So you can bring your laptop and business meetings or social gatherings and surf & check email while you eat!

Message from the Owner:

"Our mission at OZ Pizza is to provide our customers a great experience by serving quality food and giving great service. Providing a laid back atmosphere where the community can come enjoy with family. Treating our OZ Pizza Team with the utmost respect and giving them a fun place to work".

The patrons are loyal - they come back for great food and friendly customer service, but let's hear it in their own words:

"... this is authentically good. It's a neighborhood pizza joint. Their outdoor area makes me wish for nicer weather. The crust is firm and crispy, the pizzas are cooked and browned, and it's all tasty. I try to leave left-overs, and I end up eating so much that, well, there's not much point taking the rest home..." - Jason R.

"... the service is friendly and inviting, the slices are huge (makes you wonder what size pizza those come off of!), and the food is so good. I love the simplicity of it all, and it's got that urban chic atmosphere. . .you'll definitely want to give Oz a shot. Delicious! Of course, eating in is what I recommend so you can meet the staff - they're awesome! - and get the pizza at it's freshest point. It's one hell of a pizza!" -Michelle A.

"Fantastic pizza, great service, and good times can be had at Oz Pizza. This place is my usual hang out on Thursdays for trivia."-Barry

Ninth Annual Army Hooah Race in Downtown East Point!

The City of East Point has partnered with Ft. McPherson over the past nine years to facilitate the Army Hooah Race. This race has attracted runners from several military bases, amateur running clubs from throughout the state of Georgia and the southeast region. In fact many of these runners use the Army Hooah Race as a tune-up to the Peachtree Road Race. Through our partnership with Ft. McPherson, during the summer months, city residents (our youth) have been able to take advantage by participating in fishing rodeos, bowling activities and movie outings at little to no cost. Also, various employee-based teams have been afforded the opportunity to compete in sporting activities at both Ft. McPherson and Ft. Gillem.

The 5K Walk/Race begins in downtown East Point, at the

East Point Library (MapQuest 2757 Main Street, East Point, GA 30344 for directions). Both races finish, at Hedekin Field, in Fort McPherson. Pre-registration packet pick-up will take place at Georgia International Convention Center on Friday, June 11, 2010, from 10:00 AM to 2:00 PM and from 4:00 PM to 7:00 PM. Registration packets will contain timing chip, racing number, t-shirts, etc.

FOOD REVIEW

Lov'n It Live

"This place is insane!! I have never had a food experience quite like this before, but I suppose there is a first time for everything. I ate an absolutely fantastic kale salad. It was wild! It was like raw kale injected with fresh guacamole, and it was incredible! I also ordered the tostada which was even more insane than the kale salad! It was a literal explosion of flavors in my mouth. It was actually too much stimulation that I could-

n't handle it and had to quit eating it. I'm not kidding. I cannot think of a time in which my taste buds were just over stimulated. I could only eat a little bit."- Rhea P.

My husband and I flew to Atlanta as his birthday surprise, to take a raw foods cooking class at Loving it Live. We were way more than pleasantly surprised, in fact we were awed and impressed beyond words. The food at Loving it Live was beautifully presented, and tasted incredible, from the

nachos to the stuffed avocado, the pizza, nori and collard rolls, the pine nut cheese sauce, mock chicken salad, kale salad, cashew hummus, and best of all, the yummy spice cake and pumpkin seed "ice cream" for dessert. We are foodies, having traveled and eaten all over the world. Loving It Live was by far, hands down, the best vegetarian food we've tasted. We sipped great drinks during our wait: mine was hibiscus, my husband's was lemon. All made right there."-Arlene J
